
TRAILHUNTER 720

TRIMS AVAILABLE: EPS, PRO, ULT, MUD

When it comes to tackling the toughest trails and truly embracing the off-road spirit , the Trailhunter 720 stands out as the ultimate choice for riders who demand both performance and unbeatable value.

Main Features

Enhanced Reliability

All SWM ORVs feature a high-yield strength alloy steel frame. You can count on its robust construction to stand up to whatever the trail throws your way.

Leading Engine

Packing an industry-leading punch, our ATV features the most potent powerplant in its class: a 650cc gas engine unleashing a formidable 52 horsepower.

Optimized Driving Comfort

All SWM ORVs feature an innovative and highly reliable suspension system. It boasts 20% more travel than competitors in its class, delivering enhanced driving comfort and superior off-road performance.

Added Storage Capability

Our design includes integrated front and rear sunken storage compartments, giving you even more ample space for all your gear and essentials. You'll have plenty of room to stash everything you need for your adventures.

Intelligent Options

Elevate your ride with our ATV's deluxe intelligent features: Tri-mode EPS, Engine Braking, Intelligent Throttle Control, multiple work modes (Eco/Std/Sport), Active Descent Control, and an Anti-theft system.
